## CHEAPER LUMBER

Owing to the recently reduced freight rate and a slight fall in the price of lumber we are able to antonious a reduction in the price of lumber of from \$2.50 to \$6 a thousand. The grade is just as good as ever, the price is less. We are now able to compete with yards on the T. & P. and ask the opportunity to figure with those from the Monument locality will have been hading from those points.
